INDEPENDENT AUDITOR'S REPORT

Board of Directors
Millstadt Ambulance Service
Millstadt, Illinois

DRAFT

**Opinion**

We have audited the accompanying financial statements of Millstadt Ambulance Service (a nonprofit organization), which comprise the statements of financial position as of April 30, 2026 and 2025, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Millstadt Ambulance Service as of April 30, 2026 and 2025, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Millstadt Ambulance Service and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

DRAFT

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Millstadt Ambulance Service's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

DRAFT

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Millstadt Ambulance Service's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Millstadt Ambulance Service's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Report on Supplementary Information**

DRAFT

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information, except for the budget, has been subjected to

the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DRAFT

## NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Millstadt Ambulance Service (Service) provides ambulance services to the residents of the Village of Millstadt, Millstadt Township and the western portion of Stookey Township in St. Clair County, Illinois. The Service's support comes from patient fees and service fees.

The Service is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

### A. Reporting Entity

The Service was annexed into the Millstadt Fire Protection District. The Service will operate independently of the organizing entity. The Service will receive funding from this entity by a property tax levied on the real property within this respective area (see Note 2).

### B. Basis of Presentation

The accompanying financial statements of the Service have been prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when incurred in accordance with generally accepted accounting principles.

### C. Classification of Net Assets

In order to ensure observation of limitations and restrictions on the use of resources available to the Service, its net assets are reported in one of two classes: with donor restrictions and without donor restrictions and are maintained in accordance with the principles of fund accounting.

- Net assets without donor restrictions include those resources which may be used for any purpose. Donor restricted contribution revenues whose restrictions are met in the same period are reported as net assets without donor restrictions.

- Net assets with donor restrictions may be used only after the passage of a donor or grantor stipulated period of time or for a donor or grantor specified purpose or must be maintained intact as stipulated by the donor; however, most of the income derived from these net assets generally may be expended according to donor specified terms.

### D. Cash and Cash Equivalents

DRAFT

Cash and cash equivalents include amounts in demand deposit accounts as well as short-term investments with a maturity date within three months of the date acquired by the Service. Cash equivalents are stated at cost plus compounded interest where applicable.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

DRAFT

E. Support and Revenue

Amounts received from patient fees are recorded as revenue in the financial statements as services are provided. Amounts are recorded as revenue in net assets without donor restrictions as costs are incurred and the Service provides a service for these funds.

F. Accounts Receivable - Patient Fees

Management individually reviews all account receivable balances. Management determines whether an allowance for credit losses is necessary based on that customer relationship review as well as historical loss information adjusted for current economic conditions and reasonable and supportable forecasts. Balances are charged off against the allowance when management believes there is no possibility of recovery. Management determined that an allowance for credit loss at approximately 10% of gross accounts receivable for the years ended April 30, 2026 and 2025 based on historical experience. The Board discontinues collection attempts on accounts with no activity for six months.

| | April 30, 2026 | April 30, 2025 | April 30, 2024 |
|---|---|---|---|
| Patient Fees | $ 326,391 | $ 440,107 | $ 331,271 |
| Allowance | (32,639) | (44,011) | (33,127) |
| | $ 293,752 | $ 396,096 | $ 298,144 |

G. Prepaid Items

Payments made to vendors for services that will benefit periods beyond April 30, 2026 and 2025 are recorded as prepaid items.

H. Property, Plant and Equipment

Acquisitions of property and equipment in excess of $500 are capitalized. All purchased property, plant and equipment are valued at historical cost. Donated property, plant and equipment are valued at their estimated fair value on the date donated. Depreciation expense for the years ended April 30, 2026 and 2025 was $122,217 and $64,996, respectively.

DRAFT

DRAFT

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

H. Property, Plant and Equipment (cont'd)

Depreciation is reflected on the straight-line basis for the following estimated lives:

| | |
|---|---|
| Equipment and Furniture | 5-7 Years |
| Leasehold Improvements | 15-20 Years |
| Buildings | 39 Years |

I. Expense Allocation

The costs of providing the various programs and other activities have been summarized on the functional basis in the statements of activities. The Statements of Functional Expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include professional services, supplies, depreciation and other, which are allocated on a basis of estimates of time and effort.

J. Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities and the reported revenues and expenditures. Actual results could vary from estimates that were used.

K. Tax Status

The Service is exempt from income taxes under Internal Revenue Code Section 501(c)(3).

Accounting standards Codification Topic 740 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. Topic 740 developed a two-step process to evaluate a tax position and also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The Service adopted Topic 740 on May 1, 2010 and has not recorded a reserve for any tax positions for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility. Management believes it files tax returns in all appropriate jurisdictions. The income tax returns of the Service for the years ended 2023, 2024 and 2025 are subject to examination by the taxing authorities generally for three years after they were filed. As of April 30, 2026 the Service has no recorded liability for unrecognized tax benefits.

DRAFT

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

K. Tax Status (cont'd)

DRAFT

The Service has no recorded uncertain tax positions for the years ended April 30, 2026 and 2025 and hence, has no interest expense nor penalties related to said tax positions recorded in their financial statements for the years then ended.

L. Compensated Absences

Employees earn vacation time throughout the year. Under the Illinois Paid Leave for All Workers Act, part-time employees have the ability to roll over up to 40 hours of accrued vacation time from one year to the next. Full-time employees have the ability to roll over up to 192 hours of accrued vacation time from one year to the next. Compensated absences totaled $28,705 and $23,676 for the years ended April 30, 2026 and 2025. The accrual for compensated absences is included in the current liabilities on the Statements of Financial Position.

M. Budget

The budget is adopted on a cash basis which includes capital assets purchased and debt payments. A reconciliation between budget basis and GAAP basis is presented in the Schedule of Expenses by Function (Budget Basis) Compared to Budget and Prior Year Actual (Budget Basis).

N. Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

NOTE 2. CONTRACTED SERVICE FEES

For the years ended April 30, 2026 and 2025 the accompanying financial statements present contracted service fees remitted by the Millstadt Fire Protection District. The Millstadt Fire Protection District levies property taxes and remits them as service fees to the Millstadt Ambulance Service.

The following are the tax rate limits permitted by local referendum and the actual rates levied per $100 of assessed valuation.

DRAFT

DRAFT

NOTE 2. CONTRACTED SERVICE FEES (CONT'D)

| | Limit | 2025 Levy Actual Rate | 2025 Levy Certified Rate |
|---|---|---|---|
| Ambulance | 0.2500 | 0.0900 | 0.0900 |

| | 2025 | 2024 |
|---|---|---|
| Total Equalized Assessed Valuations (EAV) | | |
| - Total EAV | $ 320,523,339 | $ 301,896,045 |
| - Rate Setting EAV | $ 309,292,503 | $ 290,678,243 |
| Levy Request | $ 278,318 | $ 239,734 |
| Total Extension | $ 288,471 | $ 249,064 |
| Total Extension After TIF | $ 278,363 | $ 239,810 |

The Service received $239,912 and $228,321 for the years ended April 30, 2026 and 2025, respectively.

NOTE 3. CONCENTRATION OF CREDIT RISK

The Service maintains cash balances at one local bank. All accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 regardless whether interest or non-interest bearing. At April 30, 2026 and 2025, the Service's bank balances in excess of insured limits totaled $-0- and $-0-, respectively.

Other financial instruments which potentially expose the Service to concentrations of credit risk are patient accounts receivable. The Service provides services to patients on an open credit basis. The Service's patient accounts receivable are due from such patients and are uncollateralized. Management believes losses realized on amounts outstanding at year end will be immaterial. Accordingly, patient accounts receivable are reported at the amount of principal outstanding less an allowance for uncollectible accounts.

NOTE 4. LONG-TERM DEBT

The Service's obligations under notes payable consist of the following:

DRAFT

DRAFT

NOTE 4. LONG-TERM DEBT (CONT'D)

| | 2026 | 2025 |
|---|---|---|
| Note payable with a local bank dated April 25, 2018 with 119 monthly payments of $2,141.30 including interest at 6.125% that matures April 25, 2033. This Loan is collateralized by the building at 100 E. Laurel St. | $ 146,173 | $ 162,412 |
| Note payable with a vendor dated November 1, 2022, with 60 monthly payments of $446.65 with no interest starting February 1, 2023. | 9,826 | 15,186 |
| Note payable with a vendor dated September 1, 2023, with 5 annual payments of $17,770 with no interest starting September 1, 2023 | 35,558 | 53,337 |
| Note payable with a vendor dated May 29, 2025 with 81 monthly payments of $1,773.14 including interest at 6.9% starting June 17, 2025 | 99,518 | - |
| Note payable with a local bank dated May 15, 2025 with 59 monthly payments of $2,992.80 including interest at 6.00% that matures May 15, 2030. This Loan is collateralized by a 2025 Ford E-450 Ambulance | 181,942 | - |
| Total Notes Payable | 473,017 | 230,935 |
| Less Current Portion | (81,399) | (39,825) |
| Long-Term Portion | $ 391,618 | $ 191,110 |

DRAFT

DRAFT

NOTE 4. LONG-TERM DEBT (CONT'D)

The future scheduled maturities of long-term debt are as follows:

| Year Ending April 30, | |
|---|---|
| 2027 | $ 81,399 |
| 2028 | 83,346 |
| 2029 | 65,522 |
| 2030 | 69,755 |
| 2031 | 74,262 |
| 2032-2033 | 98,733 |
| | $ 473,017 |

NOTE 5. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Service is primarily funded by property taxes and patient fees. As part of its liquidity management, the Service has a policy to structure its financial assets to be available as general expenditures, liabilities and other obligations become due.

For the year ended April 30, 2026, the Service has $346,541 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of $52,789 and accounts receivable of $293,752. Cash consisting of $2,543 is subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. The accounts receivable are subject to time restrictions but are expected to be collected within one year.

For the year ended April 30, 2025, the Service has $537,612 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of $141,516 and accounts receivable of $396,096. Cash consisting of $2,543 is subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. The accounts receivable are subject to time restrictions but are expected to be collected within one year.

NOTE 6. NET ASSETS WITH DONOR RESTRICTIONS

The Service has net assets with donor restrictions in the amount of $2,543 for the years ended April 30, 2026 and 2025. This amount is restricted by the EMS Association for EMS expenses.
