PAST-DUE BILL NOTICE: The annual budget includes \$0 for the disclosed \$66,330.66 past-due balance because it assumes those bills are paid before service operations begin.

Future Vehicle and Equipment Savings

SEVEN-YEAR REPLACEMENT FUNDING PLAN

The annual budget includes a separate **\$262,571.43 savings contribution** for future ambulance, vehicle, and equipment purchases. It is included in the total budget and funding gap, but it is not current-year operating spending. At current estimated costs, the \$1,838,000 replacement list would be funded over seven years. Listed unit costs include preventive-maintenance and service plans where applicable. The replacement cost estimates seven-year cost increases.

Replacement list and annual savings

Replacement item	Quantity / estimated unit cost	Seven-year need	Annual savings
Ambulance replacement	2 × \$500,000	\$1,000,000.00	\$142,857.14
